

Your Privacy Choices

Under the California Consumer Privacy Act of 2018, as amended by the California Privacy Rights Act of 2020 (collectively, CCPA), California consumers may opt out of the “sale” or “sharing” of their personal information. We do not “sell” or “share” personal information with third parties except for limited purposes specified under contract and otherwise not defined to be a “sale” or “sharing” by CCPA, but given the broad definitions of those terms under CCPA, our use of some cookies and similar web site technologies that track user activity on the internet may be considered a “sale” or “sharing” under California law. You can opt-out of being tracked by these technologies through our [Cookie Preference Center](#). For more information about our privacy practices, please review our [Privacy Policy](#).
