Thank you for your interest in the Pfizer Sickle Cell Scholarship Program. Scholarships will be awarded to applicants with sickle cell who present the best combination of a creative and persuasive essay, excellent recommendations, and superior academic standing.

For the 2024-2025 academic year, Pfizer will award:

- Two \$5,000 graduate scholarships
- Sixteen \$2,500 college scholarships, including vocational schools

To be eligible, you must:

It is the applicant's responsibility to make sure that all transcripts (copies will not be accepted) are received by this deadline.
